

audiences a sociological theory pdf

Sociology is the scientific study of society, patterns of social relationships, social interaction, and culture of everyday life. It is a social science that uses various methods of empirical investigation and critical analysis to develop a body of knowledge about social order, acceptance, and change or social evolution. Many sociologists aim to conduct research that may be applied directly to ...

Dramaturgy is a sociological perspective commonly used in microsociological accounts of social interaction in everyday life. The term was first adapted into sociology from the theatre by Erving Goffman, who developed most of the related terminology and ideas in his 1959 book, *The Presentation of Self in Everyday Life*. Kenneth Burke, whom Goffman would later acknowledge as an influence, had ...
