Case Studies and Articles About Principles of Persuasion

Cialdini has written a new, major book, Pre-Suasion: A Revolutionary Way to Influence and Persuade. In it, he acknowledges that one more influence technique rises to the level of being a major principle. He writes, "now I believe that there is a seventh universal principle that I had missed ..."

Learning through play is a term used in education and psychology to describe how a child can learn to make sense of the world around them. Through play children can develop social and cognitive skills, mature emotionally, and gain the self-confidence required to engage in new experiences and environments.. Key ways that young children learn include playing, being with other people, being ...
