The Divine Life Society--Free Books on Yoga, Religion and

In religion, divinity or Godhead is the state of things that are believed to come from a supernatural power or deity, such as God, the supreme being, creator deity, or spirits, and are therefore regarded as sacred and holy. Such things are regarded as divine due to their transcendental origins or because their attributes or qualities are superior or supreme relative to things of the Earth.

Individual revelation. Thomas Aquinas believed in two types of individual revelation from God, general revelation and special revelation. In general revelation, God reveals himself through his creation, such that at least some truths about God can be learned by the empirical study of nature, physics, cosmology, etc., to an individual. Special revelation is the knowledge of God and spiritual ...
