Hanyu Da Cidian | Wiki | Everipedia

downloaded a PDF of the Hanyu da zidian. I went online to try to see if I could order a printed copy, and stumbled across it. It is the original 8 volume edition which was completed in 1990 (Wikipedia says 1989, but that appears to be incorrect). There is a corrected 3-volume edition that dates to 1995. But the original is better than nothing.
