3. Non-violence: "In this same spirit we cannot but express our admiration for all who forego the use of violence to vindicate their rights and resort to other means of defense which are available to weaker parties, provided it can be done without harm to the rights and duties of others and of the community."

Black Lives Matter (BLM) is an international activist movement, originating in the African-American community, that campaigns against violence and systemic racism towards black people. BLM regularly holds protests speaking out against police killings of black people, and broader issues such as racial profiling, police brutality, and racial inequality in the United States criminal justice system.

AKOBO, South Sudan, 31 January 2018 “ Vaccines save lives, but to be effective they need to be kept cool. In South Sudan, the least electrified country in the world, temperatures frequently exceed 40 degrees Celsius. Solar-powered refrigerators offer a solution, but fighting and hazardous roads mean transporting and installing them is anything but straightforward.
