Quality of Education in Africa -dayoodukoya@gmail.com In 1990, the World Declaration on Education for All [EFA] identified quality as a pre-requisite for achieving the fundamental goal of equity. It was recognized that expanding access alone would be insufficient for education to contribute to the development of the individual and the society.

### **Quality of Education in Africa - ROCARE - ERNWACA**

The concept of quality in online learning is as complex as the reality of online learning itself. There is a vast literature on quality in higher education, with a profusion of terms and concepts. It often identifies a tension between two roles of quality assurance: as a means of accountability and as a route to quality improvement.
