The Temple Of Wisdom is only accessible through the astral plane. I have been traveling there for the past 25+ years and have been discovering how to learn real magic from the Ascended Masters that teach within this astral place. Inside this mystery school, I have accessed magical scrolls on how to get magical powers and have studied them throughout the years.

Habituation is an example of non-associative learning in which the strength or probability of a response diminishes when the stimulus is repeated. The response is typically a reflex or unconditioned response. Thus, habituation must be distinguished from extinction, which is an associative process. In operant extinction, for example, a response declines because it is no longer followed by a reward.
