Design (as a verb: to design) is the intentional creation of a plan or specification for the construction of an object or system or for the implementation of an activity or process.. Design (as a noun: a design) can refer to such a plan or specification (e.g. a drawing or other document) or to the created object, etc., and features of it such as aesthetic, functional, economic or socio-political.

Design - Wikipedia

Grounded in Research. We take great pride in the fact that Second Step is based on current research in the field. Translating research findings into key components of our programs allows us to be confident our curricula will be effective in classrooms.
