April Fools' Day (sometimes called All Fools' Day) is an annual (primarily) Western celebration commemorated on April 1 by playing practical jokes and spreading hoaxes. The jokes and their victims are called April fools. People playing April Fool jokes often expose their prank by shouting "April fool(s)" at the unfortunate victim(s). Some newspapers, magazines and other published media report ...

Common causes for laughter are sensations of joy and humor; however, other situations may cause laughter as well.. A general theory that explains laughter is called the relief theory. Sigmund Freud summarized it in his theory that laughter releases tension and "psychic energy". This theory is one of the justifications of the beliefs that laughter is beneficial for one's health.

I'm all about romance and stuff when it comes to Valentine's Day but sometimes a little dose of reality can be hilarious. And, when it comes right down to it, I'm really am more about humor than romance. I married a man who I knew would make me laugh everyday rather than one that would bring me flowers everyday. I don't wanna jinx it but going on 18 years into this thing and I still think I ...
