ument is that ritual rhetoric, like the categories "political rhetoric" or "legal rhetoric," provides a useful lens for understanding certain themes in persuasive discourse. "Ritual rhetoric" does not here refer to the persuasive impact of the ancient rituals themselves. That is lost to Ritual Rhetoric in Ancient Near Eastern Texts 41

The relationship between argument and rhetoric Every act of communication attempts to persuade a particular audience to understand an idea or point of view put forth by the communicator. Thus, argument is the process of persuading an audience to understand and/or behave in an intended manner (see claims).
